MINUTES
REGULAR CITY COUNCIL MEETING – December 15, 2022

1. The Mountain Home City Council met in regular session December 15th, 2022, in the Council Chambers of the Municipal Building. Mayor Hillrey Adams called the meeting to order at 6 p.m., followed by the Pledge of Allegiance and a prayer.
2. **ROLL CALL** The following council members were present for the roll call: Bob Van Haaren, Susan Stockton, Jennifer Baker, Wayne Almond, Paige Evans, Carry Manuel, Jim Bodenhamer, and Nick Reed.
3. **OFFICIALS IN ATTENDANCE** Mayor Hillrey Adams, Police Chief Eddie Griffin, Director of Finance and Treasury Alma Clark, Building Inspector Greg Ifland, Fire Chief Kris Quick, Parks Director Daniel Baxley, Street Director Arnold Knox, Human Resource Coordinator Susan Edwards, and Fire Marshal Shawn Lofton. Media: Heather Link (KTLO) and Alison Fulton (Mountain Home Observer).
4. **MINUTES** Council member Jennifer Baker made a motion to approve the council meeting minutes from December 1, 2022. The motion was seconded by council member Susan Stockton. The vote was recorded as follows: All present – yes.
5. **NEW BUSINESS**

METHVIN SANITATION CPI ADJUSTMENT Council members discussed the 2022 CPI adjustment for sanitation services, which will be a 6.6 percent increase effective January 2023. With the CPI adjustment, the city's 5.372 percent fuel surcharge will reset to zero, giving the city a net increase of 1.228 percent. Council member Bob Van Haaren made a motion to receive the CPI adjustment, and the motion was seconded by council member Nick Reed. The vote recorded was as follows: All present – yes.

AN ORDINANCE AMENDING ORDINANCE NO. 2022-4, 2021-17, 2021-16, 2019-24, 2018-, 2015-3, 2011-12, 2009-17, 2009-12, 2008-37, AS AMENDED BY 96-033, 07-31, 06-14, 05-03, 04-04, 03-37, 03-05, 02-27, 02-20, 02-09, 01-04, TO REDEFINE THE WAGE SCALE AND COMPENSATION PLAN IN ORDER TO ENHANCE EFFICIENT MANAGEMENT WITHIN THE DEPARTMENTS OF THE CITY OF MOUNTAIN HOME City Attorney Roger Morgan read the ordinance for the first time in its entirety. If adopted, the ordinance would provide a 3 percent raise to all employees, plus an additional \$1-per-hour raise on top of the 3 percent increase.

SECOND READING Council member Jennifer Baker made a motion to suspend the rules and place the ordinance on its second reading by title only. Council member Wayne Almond seconded the motion. The vote was recorded as follows: All present – yes.

THIRD READING Council member Jennifer Baker made a motion to suspend the rules and place the ordinance on a third reading by title only. Council member Carry Manuel seconded the motion. The vote was recorded as follows: All present – yes.

ADOPTION Council member Jennifer Baker made a motion to adopt the ordinance and received a second from council member Jim Bodenhamer. The vote was recorded as follows: All present – yes. The ordinance was declared adopted and named Ordinance No. 2022-50.

EMERGENCY CLAUSE Council member Jennifer Baker made a motion to adopt the emergency clause for the ordinance. Council member Wayne Almond seconded that motion. The vote was recorded as follows: All present – yes.

AN ORDINANCE WAIVING COMPETITIVE BIDDING AND AUTHORIZING THE PURCHASE OF SIX (6) FORD POLICE VEHICLES City Attorney Roger Morgan read the ordinance for the first time in its entirety. If adopted, the city would purchase six Ford police vehicles for \$378,000 through Duval Ford in Jacksonville, Fla.

SECOND READING Council member Bob Van Haaren made a motion to suspend the rules and place the ordinance on second reading, drawing a second from council member Nick Reed. The vote was recorded as follows: All present – yes.

THIRD READING Council member Bob Van Haaren made a motion to suspend the rules and place the ordinance on third reading. Council member Susan Stockton seconded that motion. The vote was recorded as follows: All present – yes.

ADOPTION Council member Bob Van Haaren made a motion to adopt the ordinance, with council member Carry Manuel seconding that motion. The vote was recorded as follows: All present – yes. The ordinance was declared adopted as Ordinance No. 2022-51.

EMERGENCY CLAUSE Council member Paige Evans made a motion to adopt the ordinance’s emergency clause. Council member Bob Van Haaren seconded the motion. The vote was recorded as follows: All present – yes.

A RESOLUTION CHANGING THE NAME OF THE BUILDING INSPECTION DEPARTMENT WITHIN THE CITY OF MOUNTAIN HOME, ARKANSAS If adopted, the ordinance would rename the city’s Building Inspection Department to the Planning and Engineering Department. City Attorney Roger Morgan read the resolution in its entirety.

ADOPTION Council member Jennifer Baker made a motion to adopt the resolution, which was seconded by council member Susan Stockton. The vote was recorded as

follows: All present – yes. The resolution was declared adopted and numbered Resolution No. 2022-13.

COUNCIL APPROVAL TO CREATE A LINE ITEM 101-4000-22018 IN INCODE TO BE NAMED – ENGINEERING REIMBURSEMENTS WITHIN GENERAL FUND – AND ADD TO REVENUE @ \$400,000 FOR 2023 BUDGET AS A BUDGET ADJUSTMENT This was presented by Director of Finance and Treasury Alma Clark. Council member Jennifer Baker made a motion to authorize the listed actions. Her motion was seconded by council member Jim Bodenhamer. The vote was recorded as follows: All present – yes. Motion carried and approval was granted.

COUNCIL APPROVAL FOR BUDGET ADJUSTMENTS APPROVED FOR PLANNING & ENGINEERING REVISED – EXPENSE SPREADSHEETS This was presented by Director of Finance and Treasury Alma Clark. Council member Jennifer Baker made a motion to authorize the listed actions. Council member Bob Van Haaren seconded the motion. The vote was recorded as follows: All present – yes. Motion carried and approval granted.

COUNCIL APPROVAL TOP OPEN CHECKING ACCOUNTS FOR THE SW SEWER LINE EXTENSION PROJECT AND THE HIGHWAY 5 S. WATER & SEWER LINE EXTENSION PROJECTS This was presented by Director of Finance and Treasury Alma Clark. Council member Paige Evans made a motion to authorize the listed actions. Council member Susan Stockton seconded the motion. The vote was recorded as follows: All present – yes. Motion carried and approval granted.

COUNCIL APPROVAL TO APPROPRIATE ARPA MONEY IN THE AMOUNT OF \$2,604,056.05 TO WATER/SEWER PROJECTS. EXISTING ARPA MONEY TO BE MOVED FROM THE GENERAL FUND WARRANT ACCOUNT AND SPLIT INTO TWO NEW, DIFFERENT CHECKING ACCOUNTS: (1) SW Sewer Line Extension Project 600-5602-46318 (already existing project number) for the amount of \$2,004,056.05; and (2) Hwy 5 S Water & Sewer Line Extension Projects - 600-5601-46328 - HWY 5 S. Water Line Extension & 600-5602-46329 - HWY 5 S. Sewer Line Extension - for the amount of \$600,000.00 for both projects This was presented by Director of Finance and Treasury Alma Clark. Council member Jennifer Baker made a motion to authorize the listed actions. Council member Nick Reed seconded the motion. The vote was recorded as follows: All present – yes. Motion carried and approval granted.

AN ORDINANCE REGULATING NOISE WITHIN THE CITY OF MOUNTAIN HOME If adopted, the ordinance would establish measurable decibel limits for noise inside the city limits. City Attorney Roger Morgan read the resolution in its entirety. Fire Marshal Shawn Lofton and Building Inspector Greg Ifland talked with the council about various sound levels around town and shared some sample measurements recently recorded from different locations. After receiving public comment on the proposed ordinance and

more discussion by council members, it was agreed that the proposal would return for a second reading at the council's January 5, 2023, meeting.

ADDITIONAL DISCUSSIONS

Mayor Hillrey Adams shared with the council that he had issued a proclamation naming December 30 "Barney Larry Day" in honor of the Baxter Regional Hospital Foundation's retiring executive director.

Mayor Hillrey Adams talked about the Coulter Celebration of Lights display now operating on the campus of ASU-Mountain Home. A train, dubbed "the Coulter Express," was slated to begin operation at the event the evening of Friday, December 16, weather permitting.

6. ADJOURN

With no further business to come before the council, Mayor Adams declared the meeting adjourned at 7:20 p.m.

HILLREY ADAMS, MAYOR

ATTEST:

SCOTT LILES, CITY CLERK

Mountain Home Fire Department

Public Safety Meeting

December 20th, 2022

1. This year has been a busy one, we had two certified training classes put on by the AR Fire Training Academy. One was Core Rescue a 40hr. class and the other one was a Driver Operator a 80hr. class.
2. We are starting a new program in the E.M.S. division, we are getting training on the use of CPAP. We will be the first in the state to use this as a fire dept. based E.M.T.'s.
3. We have one tornado siren that is not working, we will be fixing it after the first of the year.
4. We have two firefighters that will go to Camden for the standards class, they start Jan. 17th, and it is 7 weeks long.

Street Committee Meeting
December 20, 2022 – 12:30 p.m.

The meeting was called to order at 12:30 p.m.

Present were Arnold Knox, Director of Streets; Jim Bodenhamer, Susan Stockton and Jennifer Baker, Committee members.

The Street Report for November 2022 was reviewed.

Arnold reported that the box culvert that had been built for the Bike Path will not be paid for by the Grant that was applied for. He said ARDOT still needs to approve the plans and he has been waiting for their approval since October. An approximate \$167,000 Grant, which is an 80/20 cost share had been applied for. The total cost through November 30 for the Bike Path, which will go from McCabe Park under the Bypass and connect to Arkansas State University's path, is \$75,976.87.

The new access road that is going to the new community center is going well. The road has been dug out and is ready to be built. The construction crew has been working on the box culvert over the creek. The total cost as of November 30, 2022, is \$44,694.39.

The Russell Lane Rebuild project has most of the culvert in; curbs are going into the curve. Arnie reported the road will be dug out as soon as all the curbs are in. When the road is dug out it will be a full two lanes to use. Jennifer asked when the project will be completed and Arnie said they will be paving this summer. The current cost to Russell Lane is \$267,739.06.

Work at the Clysta Willett ballfields is continuing with concrete work and completing drainage. Arnie said they are back in the park to finish up before the start of baseball season March 1. The cost to Clysta Willett ballfields is \$138,095.14.

Maintenance is going well, and crack sealing has started. The maintenance crew has started working on the retention pond at Hickory Park, between the parking lot and the bank.

The Budget Summary was reviewed, and Arnie said everything looked good and expected about a \$3.4 million carryover into next year.

The meeting adjourned at 12:52 p.m.

RESOLUTION 2023 - 1

**A RESOLUTION SETTING FORTH ORGANIZATION FOR THE CITY OF MOUNTAIN HOME,
ARKANSAS**

WHEREAS, A.C.A. 14-43-501 requires the members of the body elected for each city or town to assemble and organize the governing body annually during the month of January.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL FOR THE CITY OF MOUNTAIN HOME, ARKANSAS

- A. City Council** – A majority of the whole number of members of a governing body constitutes a quorum for the transaction of business.
1. Regular meetings of the City Council shall be held in Council Chambers located at 720 South Hickory on the first and third Thursday of each month at 6 p.m. Regular meetings that lack an agenda will be canceled. Special meetings will be called as needed.
 2. A journal of regular and special meetings shall be kept and will be open to inspection by any citizen.
 3. Order of Business - Regular sessions of the City Council shall be proceed under the following which shall be reduced to writing in the form of an agenda distributed to Council Members prior to the meeting:
 - a. Call to Order
 - b. Pledge of Allegiance
 - c. Prayer
 - d. Roll Call
 - e. Approval of Minutes
 - f. Financial Statements/Financials
 - g. Announcements
 - h. Committee Reports in the Form of Writing – Approval of Minutes – Minutes will need to be submitted to the city clerk prior to the first and third Tuesday of the month.
 - i. Treasurer’s Report
 - j. New Business
 - k. Old Business
 - l. Comments
 - m. Adjournment
 4. The governing body shall recommend Robert’s Rules of Order as a standard guide to parliamentary procedure.
 5. The governing body recognizes the following committees:
 - a. Administration (As Needed)
 - b. Parks & Recreation
 - c. Personnel (As Needed)
 - d. Public Safety
 - e. Street
 - f. Water & Wastewater
- B. Mayor** – In the mayor-council form of government, the mayor shall be the ex officio president of the city council and shall preside at its meetings.
1. If the mayor is unable to perform the duties of office or cannot be located, one (1) of the following individuals may perform some functions of a mayor during the disability or absence of the mayor:
 - a. The city clerk;
 - b. An elected official of the city designated by the mayor; or
 - c. An unelected official of the city designated by the mayor and approved by the city council.

PASSED AND APPROVED THIS 5th DAY OF JANUARY, 2023

HILLREY ADAMS

ATTEST

CITY CLERK SCOTT LILES

FORM OF AMENDMENT

**AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT
City of Mountain Home, Arkansas
Project No. 21W01384**

AMENDMENT NO. 1A

This Amendment No. 1A effective on the date last written below, shall amend the original contract and Amendment No. 1 between the City of Mountain Home, Arkansas (“Owner”) and Garver, LLC (“Garver”), dated February 2, 2022 (the “Agreement”).

This Amendment No. 1A adds/modifies the Services for the:

Mountain Home SW Collection System Improvements

The Agreement is hereby modified as follows:

EXHIBIT A – SCOPE OF SERVICES

As noted in Exhibit A of the original agreement, upon completion of Task 1 – Project Management and Task 2 – Route Study, the following further Tasks are to be accomplished:

- 1. Task 3 – Surveys
- 2. Task 4 – Design

The Scope of Services for these Tasks are attached.

This Amendment may be executed in two (2) or more counterparts each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, Owner and Garver have executed this Amendment No. 1A effective as of the date last written below.

**EXHIBIT A
AMENDMENT NO. 1A
SCOPE OF SERVICES**

1. Task 3 – Surveys

The surveys will be accomplished by SUBCONSULTANT Consolidated Land Services, Inc. The project is outlined in the attached EXHIBIT B (Sheet Number 1) with SUBCONSULTANT area of responsibility shown.

Design Surveys

- (a) SUBCONSULTANT shall provide field survey services for locating and verification of survey monuments in proximity of the improvements.
- (b) SUBCONSULTANT shall conduct field surveys, utilizing radial topography methods, at intervals and for distances at and/or along the project site as appropriate for modeling the existing ground, including locations of pertinent features or improvements. SUBCONSULTANT will locate visible utilities as well as those underground utilities marked by their owners and/or representatives, and any other pertinent topographic features that may be present at and/or along the project route.
- (c) SUBCONSULTANT shall use GARVER survey and line connectivity codes.
- (d) SUBCONSULTANT shall coordinate with ARKUPS (utility marking) and survey visible utilities as well as those underground utilities marked by their owners and/or representatives.
- (e) SUBCONSULTANT shall establish control points for use during design and construction. Control Points shall be Arkansas State Plane in North Zone. Sources include ArDOT VRS from Station ARM3 or existing local ArDOT control monuments.

Property Surveys

SUBCONSULTANT will locate existing monumentation representing right of way and/or easement based on record data which will be provided by an abstractor that will be hired and paid by the OWNER. The scope of services for the abstractor will include record research for the properties involved. Based upon monumentation, SUBCONSULTANT will provide field survey to survey property lines, monuments, and easement locations.

Subconsultant will provide Garver a boundary drawing with the written descriptions of Right of Way/Easement acquisition documents for utilization by the Owner. The drawing will contain all items needed to include a key map showing all affected properties and an individual tract map with temporary and permanent easements.

2. Task 4 - Design

GARVER will develop Preliminary and Final Design for construction plans, details, and specifications for approval of the OWNER and regulatory agencies.

2.1 Preliminary Design

The Preliminary Design phase submittal will include complete sewer line routing and design. The pump station will include location layout, detail drawings including P&ID, structural, mechanical, and electrical details, and design parameters. Requirements and costs for electrical service to the pump station will be the responsibility of the OWNER. Also included will be a preliminary opinion of probable construction cost. The preliminary design phase will represent approximately 30 percent of final construction contract plans. This submittal will not include technical specifications or "front end" contract documents. GARVER will

incorporate comments from the OWNER on the Preliminary Design in the Final Design. GARVER will proceed with Final Design after the Preliminary Design is approved by the OWNER in writing.

2.2 Final Design

Once GARVER receives written approval from OWNER on Preliminary Design, GARVER will begin Final Design. During the final design phase of the project, GARVER will conduct final designs to prepare construction plans and technical specifications, including final construction details and quantities, special provisions, and opinion of probable construction cost. GARVER will also make final review meeting with OWNER, make any needed plan changes as a result of the review meeting and/or special easement acquisition considerations, and prepare the construction documents. These documents are prepared for the OWNER to construct the project with their own forces.

GARVER will prepare, submit, and coordinate the approval of the project with Arkansas Department of Health.

3.0 Environmental Services

The Environmental review will proceed once the sewer line alignment and pump station site are confirmed and will proceed concurrently to the point of design completion.

Wetland Delineation

GARVER will conduct a wetland delineation to determine the limits of jurisdictional waters of the U.S., including streams, within the project limits. Each potentially jurisdictional feature will be mapped with a sub-meter GPS, which will be used to create shapefiles for use in determining avoidance and minimization of impacts. The delineation will utilize methodologies outlined in the Supplement to the Corps of Engineers Wetlands Delineation Manual: Eastern Mountains and Piedmont Region Version 2.0. GARVER will accomplish the following as part of the wetland delineation:

- Review pertinent resources related to the project site's hydrology and soils, and review of historical topographic maps and aerial photographs.
- Field survey of wetlands and streams within the previously identified project boundary.
- Create shapefiles from field collected data to be utilized in wetland report exhibits and for quantification of wetland acreages and stream lengths within the project.
- Complete a wetland delineation report of findings that includes necessary documentation for submittal to the U.S. Army Corps of Engineers (USACE) to obtain a Preliminary Jurisdictional Determination and to accompany the appropriate Section 404 permit application.

3.1 USACE Section 404 Permitting

GARVER will assist in coordinating the issuance of Section 404 Nationwide Permits (NWP) for potential stream and/or wetland impacts. A Section 404 Individual Permit and any mitigation planning beyond the requirements identified with a NWP are considered extra work. GARVER will:

- Assist with USACE coordination for the issuance of NWPs
- Compile a Section 404 NWP package that will include the following:
 - Form 6082 NWP / Pre-construction Notification (PCN)
 - Impact determinations (acreage and linear feet) shown on aerial exhibits and/or design plan sheets
 - Functional Value Assessment (FVA) for determining required mitigation credits
- Locate and coordinate with the appropriate wetland and/or stream mitigation bank if credits are required.

- Facilitate the purchase of required credits with the Client and selected mitigation bank

In support of Section 404 permitting, GARVER will contact the following agencies:

- GARVER will conduct initial coordination with the U.S. Fish and Wildlife (USFWS) to ensure all state and federally listed threatened and endangered species of concern are identified, as well as their habitat areas, to avoid/minimize impacts. This coordination includes receipt of an automated response from USFWS through their Information for Planning and Consultation (IPaC) project planning tool, which will assist in providing information related to species existence, habitat, and mitigation. If suitable habitat for any listed threatened or endangered species is encountered within the proposed project area, it may be necessary to survey the species. Presence/absence surveys for any listed threatened or endangered species are not included as a part of this scope.
- GARVER will conduct initial coordination with the State Historic Preservation Officer (SHPO) to determine if historic or archaeological sites are in the area of the project. If such sites are determined to be located within the study area or SHPO recommends a Cultural Resources Survey be completed, this can be performed as additional work by written amendment.

3.2 Division of Environmental Quality (DEQ) Section 401 Permitting

GARVER assumes that blanket Section 401 water quality certification is obtained by the issuance of the appropriate Section 404 NWP. If necessary, GARVER will submit a pre-filing meeting request to DEQ. Individual water quality certification planning is considered extra work.

3.3 Short Term Activity Authorization (STAA)

GARVER will coordinate issuance of a STAA in accordance with DEQ standards for up to ten wetted stream crossings. The permitting fee shall be paid by the applicant.

3.4 DEQ Section 402 Construction Stormwater Permitting

GARVER will prepare a large site construction stormwater pollution prevention plan (SWPPP) in accordance with DEQ standards for the OWNER's signature. The SWPPP will be submitted to DEQ for review and approval and obtain a construction site notice of coverage for the project. GARVER will:

- Review and refine SWPPP design sheets produced by the engineer to meet DEQ standard requirements for site plans
- Work with designers on BMP selection
- Complete written SWPPP report per DEQ template
- Coordinate with DEQ for issuance of Notice of Coverage

3.5 Environmental Services Extra Work

- An Individual Section 404 Permit
- Permittee-responsible mitigation planning for Section 404 impacts
- Redesign for the OWNER's convenience or due to changed conditions after previous alternate direction and/or approval
- Deliverables beyond those listed herein
- Soils or Materials Testing
- Any threatened and endangered species surveys required by state and/or federal agencies
- Cultural resources survey and any Section 106 coordination beyond initial coordination listed herein
- GARVER assumes that the only federal funding involved is the Coronavirus State and Local Fiscal Recovery Funds (SLFRF, or Fiscal Recovery Funds). Based on the April 27, 2022 Final Rule, the

National Environmental Policy Act (NEPA) does not apply to Treasury's administration of the funds, including funds expended under the revenue loss, public health and negative economic impacts, and water, sewer, and broadband infrastructure eligible use categories. If additional federal funding is obtained that triggers the need for a NEPA document or other environmental reviews, this will be considered Extra Work.

- Work required to meet changes in federal and/or state guidelines/regulations implemented after notice to proceed.

4.0 Property Acquisition Documents

GARVER will provide mapping as required for preparing Right of Way/Easement acquisition documents for the SUBCONSULTANT's use to write the easement descriptions for acquiring the property easements.. Documentation will include a key map showing all affected properties and an individual tract map with temporary and permanent needs shown for each property. The OWNER will be responsible for providing any necessary property easement appraisals and for paying any abstractor costs. Property acquisition documentation will begin after OWNER's acceptance of Preliminary Design. The fee for providing property acquisition documentation is based on no more than 15 properties.

Tasks 5 – Bidding. No formal bidding process for a construction contractor will be done for this project.

Task 6 – Construction Services, as noted in the original Agreement, will be accomplished after completion of Task 3 – Surveys and Task 4 - Design by further Amendment to this Agreement.

5. Payment

The table below presents a summary of the fee amounts and fee types for this Amendment.

WORK DESCRIPTION	FEE AMOUNT	FEE TYPE
Project Management	\$37,000.00	LUMP SUM
Project Surveys	\$67,000.00	LUMP SUM
Environmental and SWPPP	\$20,000.00	LUMP SUM
Preliminary Design	\$35,000.00	LUMP SUM
Final Design	\$37,000.00	LUMP SUM
TOTAL FEE	\$ 196,000.00	

The lump sum amount to be paid under this Agreement is \$196,000.00.

Included in the fee for the project is surveying services, which have been negotiated with Consolidated Land Services, Inc. of Mountain Home, Arkansas, as SUBCONSULTANT to GARVER. The surveying amounts include a 5 percent administrative markup. The surveying fees are valid through the design of the project. Any changes in the surveying scope will be accomplished by contract amendment and paid for by the OWNER. The OWNER will pay GARVER the amount above as submitted by GARVER.

The payment terms of the original Agreement remain in full force and effect.

6. Extra Work

The following items are not included under this agreement but will be considered as extra work:

- A. Redesign for the OWNER's convenience or due to changed conditions after previous alternate direction and/or approval.
- B. Submittals or deliverables in addition to those listed herein.
- C. Design of any utility's relocation other than water and sewer.
- D. Construction materials testing.
- E. Coordination with FEMA and preparation/submittal of a CLOMR and/or LOMR.
- F. Services after construction, such as warranty follow-up, operations support, etc.
- G. Geotechnical Investigations or Engineering.
- H. SCADA design and upgrades beyond those required for improvements.

Extra Work will be as directed by the OWNER in writing for an additional fee to be added by Agreement Amendment as agreed upon by the OWNER and GARVER.

7. Project Deliverables

The following will be submitted to the OWNER:

1. Three copies of the preliminary Design with opinion of probable construction costs.
2. Three copies of Final Design with opinion of probable construction costs.
3. Three copies of the right-of-way and easement acquisition documents..

8. Schedule

GARVER shall begin work under this Agreement within ten (10) days of a Notice to Proceed and shall complete the work in accordance with the schedule below:

Preliminary Surveys	60 calendar days from Notice to Proceed
Final Surveys	15 Days after Review by the OWNER.
Preliminary Design for Review	90 calendar days from Notice to Proceed
Final Design for Review	30 calendar days after Review by OWNER and any final changes/modifications made to the routing and OPCC

Note: Some preliminary surveys and preliminary design will occur concurrently. The above listed calendar days are approximate and subject to adjustment as necessary due to unexpected delays from changes that are beyond the control of GARVER.

**EXHIBIT B
PROJECT MAP**

RESOLUTION

NO. _____

A RESOLUTION OPPOSING THE SALE, PERMITTING AND REOPENING OF THE NABORS LANDFILL

WHEREAS, it is the understanding of the City of Mountain Home that LRS, an independent waste diversion, recycling and portable service provider, is in the process of acquiring the landfill commonly known as NABORS Landfill;

WHEREAS, upon acquisition of the NABORS Landfill, LRS would be in a position to apply for permits from the State of Arkansas to open new landfill cells; and

WHEREAS, the existing landfill is unsuitable and was previously closed and capped. The reopening of the landfill would be detrimental to the health, safety and welfare of the citizens of Mountain Home and to the natural resources of North Central Arkansas.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MOUNTAIN HOME, ARKANSAS.

1: That the City of Mountain Home opposes the sale, permitting and/or the reopening of the NABOR's Landfill. Such action would be detrimental to the health, safety and welfare of the citizens of the City of Mountain Home, Arkansas and to the natural resources of North Central Arkansas.

Dated this ___ day of January, 2023.

HILLREY ADAMS, MAYOR

ATTEST:

SCOTT LILES, CITY CLERK

ORGANIZATION OF COMMITTEES – 2023 CITY COUNCIL

No Council member shall serve on more than three (3) standing committees at one time. Each of the standing committees shall consist of a minimum of three (3) Councilmembers, with the Mayor and Department Director serving as ex-officio members of each committee. Each of the standing committees shall consist of a maximum of four (4) Councilmembers. *Underlined text – Councilmember is currently serving on an existing committee.*

ORDINANCE NO.

AN ORDINANCE REGULATING NOISE WITHIN THE CITY OF MOUNTAIN HOME; REPEALING ORDINANCES IN CONFLICT THEREWITH; DECLARING AN EMERGENCY AND FOR OTHER PURPOSES

SECTION 1:

For the purpose of this section the following definitions shall apply unless the context clearly indicates or requires a different meaning.

Decibel (dB). A unit for measuring the volume of a sound, equal to twenty (20) times the logarithm to the base ten of the ratio of the pressure of the sound measured to the referenced pressure, which is 20 micropascals (20 microneutons per square meter).

Emergency. Any occurrence or set of circumstances involving actual or imminent physical trauma or property damage which demands immediate action.

Emergency work. Any work performed for the purpose of preventing or alleviating the physical trauma or property damage threatened or caused by an emergency.

Gross vehicle weight rating (GVWR). The value specified by the manufacturer as the recommended maximum loaded weight of a single motor vehicle. In cases where trailers and tractors are separable, the gross combination weight rating (GCWR) which is the value specified by the manufacturer as the recommended maximum loaded weight of the combination vehicle, shall be used.

Motor carrier vehicle engaged in interstate commerce. Any vehicle for which regulations apply pursuant to Section 18 of the Federal Noise Control Act of 1972 (PL92-574), as amended, pertaining to motor carriers engaged in interstate commerce.

Noise. Any sound which annoys or disturbs humans or which causes or tends to cause an adverse psychological or physiological effect on humans.

Noise disturbance. Any sound which:

- (1) Endangers or injures the safety or health of humans or animals;
- (2) Annoys or disturbs a reasonable person of normal sensitivities; or
- (3) Endangers or injures personal or real property.

Public right-of-way. Any street, avenue, boulevard, highway, sidewalk or alley or similar place which is owned or controlled by a government entity.

Public space. Any real property or structures thereon which are owned or controlled by a governmental entity.

Sound level. The weighted sound pressure level obtained by the use of a sound level meter and frequency weighing network, such as A, B, or C as specified in the American National Standards Institute's specifications for sound level meters. If the frequency weighing employed is not indicated, the A-weighing shall apply.

Sound level meter. An instrument which includes a microphone, amplifier, RMS detector, integrator or time average, or output meter, and weighing network used to measure sound pressure levels.

Sound pressure level. Twenty (20) times the logarithm to the base ten of the ratio of the RMS sound pressure to reference pressure of 20 micropascals ($20 \times 10^{-6} \text{ N/m}^2$).

Transient sound source. Noise, the source of which is lawn equipment, an implement of husbandry, a domestic power tool, or the repairing, rebuilding, modifying or testing of any motor vehicle or motorcycle.

SECTION 2:

- (A) Notwithstanding any other provision of this chapter, and in addition thereto, it shall be unlawful for any person to make, or continue or cause or permit to be made or continued, any noise disturbance.
- (B) The provisions of this section shall not apply to:
 - (1) The emission of sound for the purpose of alerting persons to the existence of an emergency;
 - (2) The emission of sound in the performance of emergency work;
 - (3) The movement of aircraft which is in all respects conducted in accordance with, or pursuant to applicable federal laws or regulations;
 - (4) The use of bells or chimes in conjunction with places of religious worship; and
 - (5) The intentional sounding or permitting the sounding of any fire, burglar or civil defense alarm, siren, whistle or similar stationary or emergency signaling device, for emergency purposes or for testing, provided such testing uses only the minimum cycle test time.
- (C) For the purpose of this section, the use of an amplification device, radio, television, phonograph, drum, musical instrument or similar device which produces, reproduces, or amplifies sound shall be deemed annoying or disturbing to a person, reasonably calculated to disturb the peace and unreasonably offensive and injurious to the public if the sound is produced between the hours of 1:00 a.m. and 8:00 a.m., and is plainly audible a distance of 150 feet or more from the source of the sound.
 - (1) Plainly audible means any sound produced as set forth above which clearly can be heard at a distance of 150 or more feet. The measurement standard shall be by the auditory senses, based on direct line of sight. Words or phrases need not be discernable and bass reverberations are included.
 - (2) This provision shall not apply to athletic or school related events.
- (D) *Late Night Construction Noise Near Residences.* For the purposes of this section, construction noise from private development construction activity shall be deemed annoying or disturbing to a person, reasonably calculated to disturb the peace and unreasonably offensive and injurious to the public if the sound or noise is produced later than 11:00 p.m. everyday and prior to 7:00 a.m. on all days except Sundays when the "quiet" time shall extend until 9:00 a.m. and is plainly audible at or near any residence (apartment, home, condo, etc.) within 150 yards of the construction activity.
 - (1) The measurement standard shall be by auditory senses and includes transient construction activity noise sources.
 - (2) Emergency construction activity to repair or prevent a dangerous condition in order to protect the health, safety and welfare of citizens or the workers on the development project site is exempt from this provision if authorized in advance or ratified later by the Mayor.
 - (3) This subsection takes precedence over any conflicting and less restrictive noise limitation provisions.
 - (4) A variance may be requested and granted for necessary and temporary after-hours construction activities.
- (E) Operating or causing to operate any sound amplification device on or from within any means of conveyance, whether motorized or not, so that the sound is plainly audible at a distance of 30 feet or more from the vehicle whether in a street, a highway, an alley, parking lot or driveway, whether public or private property, is prohibited and declared to be a noise disturbance in violation of this chapter.

SECTION 3:

Sound level measurements shall be made with a sound level meter Type II or better using the A-weighted scale in conformance with the standards promulgated by the American National Standards Institution.

SECTION 4:

- (A) No person shall operate or cause to be operated, or permit, contract or allow to be operated on premises on public or private property any identifiable source of sound in such a manner as to create a sound level within the use districts in Table 1 below which exceeds the maximum noise levels as set forth in Table 1 as measured at any point on the boundary of the property from which the sound or noise was emanating.

TABLE 1

Use Districts	Time	Maximum Noise Levels
All residential zones	7:00 a.m. to 11:00 p.m.	60 dB(A)
All residential zones	>11:00 p.m. to 7:00 a.m.	55 dB(A)
All commercial zones	7:00 a.m. to 11:00 p.m.	75 dB(A)
All commercial zones	11:00 p.m. to 7:00 a.m.	70 dB(A)
All industrial zones	7:00 a.m. to 11:00 p.m.	80 dB(A)
All industrial zones	11:00 p.m. to 7:00 a.m.	75 dB(A)

All measurements shall be taken with a sound level meter in its fast or peak level setting.

- (B) *District Boundaries.* When a noise source can be identified and its noise measured in more than one use district, the noise level limits of the most restrictive use district shall apply at that district boundary.
- (C) *Commercial Source.* Notwithstanding the zoning classification of the underlying parcel, restaurants, night clubs, private clubs, auditoriums, dance halls, and rehearsal studios are defined as commercial sound sources existing in commercial zones for the purposes of this chapter.
- (D) *Transient Source.* For a transient sound emanating in any land use category, the peak noise level shall not exceed 20 decibels above the limit set in Table 1 above.
- (E) *Construction.* Construction projects shall be subject to the limitations specified for industrial zones for the period of time allowed by the building permit.

Section 5:

- (A) No person shall operate or cause to be operated a public or private motor vehicle or motorcycle on a public right-of-way or private property at any time and in such a manner that the sound level emitted by the motor vehicle or motorcycle exceeds the level set forth in Table II below.

TABLE II

MOTOR VEHICLE AND MOTORCYCLE SOUND LIMIT

(Measured at 25 Feet From the Near Side of the Nearest Lane Monitored)

Vehicle class	Sound Level in dB		
	Speed limit 35mph or less	Speed limit over 35mph	Stationary Run-up
Motor vehicle carrier engaged in interstate commerce of GVWR or GCWR of 10,000 lbs. or more	86	90	88
Any other motor vehicle or any combination of vehicles towed by any such motor vehicles	78	78	78
Motorcycles	78	78	78

- (B) No person shall operate or cause to be operated any motor vehicle or motorcycle not equipped with a muffler or other sound dissipative device in good working order and in constant operation.
- (C) No person shall sound any horn or other auditory signaling device on or in any motor vehicle on any public right-of-way or public place, except as a warning of danger.
- (D) Operating or causing to operate any sound amplification device from within a vehicle so that the sound is plainly audible at a distance of 30 feet or more from the vehicle whether in a street, a highway, an alley, parking lot or driveway, whether public or private property, is prohibited and declared to be a noise disturbance in violation of this chapter.
- (E) No person shall operate or cause to be operated a motor vehicle or motorcycle by rapidly advancing its throttle (revving) such that a noise disturbance occurs.

Section 6:

It shall be unlawful for any person to use, operate or permit to be played, used or operated any radio receiving set, musical instrument, phonograph, loudspeaker, sound amplifier, or other machine or device for the producing or reproducing of sound which is cast upon the public streets from a point of origin located on private property, for the purpose of commercial advertising or attracting the attention of the public to any building or structure.

Section 7:

(A) *Application; Issuance.*

- (1) The Mayor shall have the authority to issue a permit, upon a showing of undue hardship, for a variance from the provisions of this section upon a showing by the applicant that:
 - (a) Additional time is necessary for the applicant to alter or modify his activity or operations to comply with this section; or
 - (b) The activity, operation or noise source will be of a temporary duration and cannot be done in a manner that would comply with this section; and
 - (c) No reasonable alternative is available to the applicant.
- (2) An application for a variance permit shall be in writing on a form prescribed by the Mayor. In issuing a variance permit, the Mayor may impose reasonable conditions or requirements necessary to minimize adverse effects upon the surrounding neighborhood. For events to be attended by the public, the

written application for a variance shall be filed with the Mayor a minimum of fourteen (14) days prior to the date on which a variance is requested.

- (B) *Denial; Appeal.* An applicant who is denied a variance by the Mayor may appeal to the City Council by filing written notice of appeal with the City Clerk within ten (10) days from the date of the Mayor's decision. The notice of appeal shall specifically state the reasons why the applicant considers the Mayor's findings and decision to be in error.

Section 8:

- (A) In lieu of issuing a notice of violation, a Code Enforcement Officer responsible for enforcement of any provision of this section may issue an order requiring abatement of any source of sound alleged to be in violation of this section within a reasonable time period. An abatement order shall not be issued when the Code Enforcement Officer has reason to believe that there will not be compliance with said order.
- (B) A violation of any provision of this section shall be cause for a notice of violation to be issued by the Code Enforcement Officer.

Section 9:

- (A) A compression release engine brake, or other hydraulically operated device that converts a power producing diesel or gas engine into a power absorbing retarding mechanism with a correspondingly increased amount of noise emission shall not be engaged or used within the city limits except in the case of failure of the service brake system, adverse weather conditions, or other emergency necessitating the compression release engine brake's use.
- (B) Fire trucks, and those municipal vehicles equipped with the Quiet Brake and Silent Partner System are exempted from the requirements of this section.

Section 10:

The violation of any provision of this chapter shall be punished by a fine of not more than \$500.00 or double that sum for each repetition of such violation. If the violation is, in its nature, continuous in respect to time, the penalty for allowing the continuation thereof shall not exceed \$250.00 for each day that the same is unlawfully continued.

Section 11:

Any and all other Ordinances, or parts thereof conflicting with this Ordinance, shall be repealed to the extent of any such conflict.

Section 12:

The regulation of noise within the City of Mountain Home is vital to the health, safety and welfare of its citizens and this Ordinance shall be in full force and effect from and after passage.

DATED this ____ day of January, 2023.

HILLREY ADAMS, MAYOR

ATTEST:

SCOTT LILES, CITY CLERK
